RESURRECTION LAUNCHES NEW WEBSITE

Websites evolve and so has the parish website! The new look is cleaner and easier to navigate. Major announcements will be front and center; other parish/ministry/archdiocese news will also be located on the homepage. Stewardship is described in detail and ministries are listed as well. This new layout will allow many new features, but at this launch, all the features parishioners currently rely on - calendar, bulletins, mass recordings, formation classes - these have all been faithfully migrated to the new site. The same URL address - www.rcparish.org - will get you to the new site. There are nearly 90 pages; please be patient as some pages have not been updated in a while, but will be soon. Questions or comments may be directed to [Scott Wolff](#).
