EDGE[®]

Catholic Middle School Ministry

Our three-year Middle School Ministry, called “EDGE” is an on-going discipleship process based on relationships. We are helping each other commit more fully to Christ and His Church. We walk the road of being a Christian pre-teen/teen in today’s world. We do this by learning about Jesus and the Apostles and the Saints of our Faith (using our heads and our hearts) reading Scripture together, and applying it to our lives, having great small group discussions, serving the Community, using our hands both in our Local Parish and the greater Community. Through our Sunday morning gatherings and additional retreats and outings we will build deep friendships and link arms on our journey of faith. The ministry has an on-going THREE YEAR approach. It is easy and comfortable for a pre-teen/teen to join us at any point in Middle School. We meet on scheduled Sundays from 9:30am until 10:45am in the Haybarn (between the Church and the Parish Hall).

Along with these opportunities for our pre/teens, we highly encourage parents to participate in our Faith Formation for adults. These sessions are called “Faith In Action”, “Life of the Saints” as

well as “The Journey” . The content of these sessions is designed to help all of us encounter Jesus on a deeper level.
