HIGH SCHOOL MINISTRY AT RESURRECTION

Our Four-Year High School Ministry, called “LIFE TEEN”, is an on-going discipleship process through relational ministry. We are helping each other be committed to Christ and His Church. We walk the road of being a Christian teen in today’s world. We do this by learning about Jesus and the Apostles and the Saints of our Faith (using our heads and our hearts) reading Scripture together, and applying it to our lives, having great small group discussions, deepening friendships, serving the Community (both in our Local Parish and the greater Community), going on retreats and mission trips, and linking arms on our journey of faith.

The ministry has an on-going FOUR YEAR approach. It is easy and comfortable for a teen to join us at any point in High School. We meet on scheduled Sundays after the 11:00 Mass (12:00—2:00pm) in Room 201 of the Moisant Center. We start each session with lunch together.

Confirmation Prep takes place alongside of our Four Year Ministry, “LIFE TEEN”. Confirmation Prep meets with LIFE TEEN for sessions and will have some additional independent work and specific discussions at scheduled times for half an hour after LIFE TEEN. For teens to be well-formed to receive the Sacrament of Confirmation they need to learn and reflect on and discuss the material we cover in “Confirmation Prep,” but even more importantly they need to part of the LIFE TEEN Discipleship experience.

The recommended course would be for a High School Teen to be involved in LIFE TEEN all four years, and then during sophomore, junior or senior year, participate in the Confirmation Prep material, and activities, be Confirmed that spring, and then continue with their High School Discipleship Journey in LIFE TEEN and in our Parish.

Along with these opportunities for our teens, are the Parent Sessions for our adults. During the Confirmation Prep year, there are important Adult Faith Formation Sessions, called “Faith In Action” as well as “The Journey” offered for the parents, and the parents are encouraged to participate. The content of these sessions is designed to help aid the Continual Conversion process for our adults!

Each year of High School, the cost to register for our LIFE TEEN ministry is the same. The only additional cost for Confirmation Prep is the \$15 to cover the material (pay the first week) and the cost of retreats and dinners. There is no additional registration fee for Confirmation Prep. Register on our Church Homepage; www.rcparish.org, and click the link for Faith Formation

Registration.
