Funeral Mass

**Liturgy Planning Guide
and Worksheet**

Many people choose to prepare this plan before the end of life so that at the time of death the decisions are complete, ready and have been a spiritual exercise made with less grief and pressure. The guidelines for all parts of the Liturgy are in a concise form to aid everyone through the process.

The Funeral Packets are obtained at the parish office ready to implement at the time needed. Ideally, we all in the parish should have our pre-planned Celebration of Life on file in the parish office.
