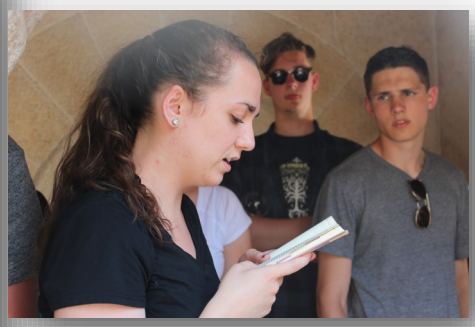
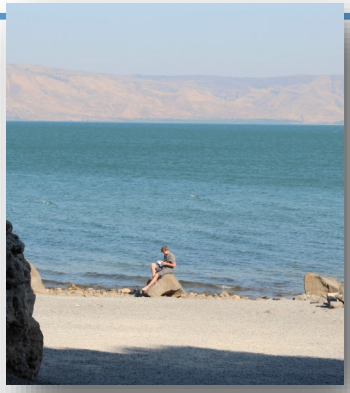
Resurrection Youth and Adult Holy Land Pilgrimage 2018

The Galilee: Our first full day was spent in The Galilee. We were on the Sea in a boat, to experience Jesus and His Disciples "boat moments". We walked around the ancient ruins of Capernaum where Peter lived, and where Jesus and the disciples spent considerable time. We wandered around the Mt of Beatitudes contemplating the insights and challenges given to us by our gifted guide, Ibrahim, a Palestinian Christian Professor from Bethlehem University. We went to the sight of The Feeding of the Five Thousand, and also down to the water where Jesus gave Peter the opportunity to make amends after his denial, by answering the question, "Peter do you love me?"

We enjoyed Mass at Magdala and all the Scripture readings along the way!




Along the Sea of Galilee, we had some time to reflect on our own call to follow Jesus, and our response to that call.
