Resurrection Youth and Adult Holy Land Pilgrimage 2018

In Nazareth we walked through the old town to the synagogue where Jesus read Scripture as a boy. It was a peaceful, early morning prayer time with the priest burning incense. Then we went to the Church of The Annunciation built over the house of Mary. Joseph's house and workshop is close by, and we saw the ancient Baptismal Font in the Church built there by early Christians. Ibrahim, our tour guide challenged us to recommit ourselves to following Christ and to continual conversion of heart, just as the early believers did when they chose Baptism and NEW LIFE in Christ.

Mary's House!

" I loved going to Mary's house, because you could still see the ancient stone house. I could imagine her there. It was moving to me to see how the Church was built around the ancient site. All the churches we visited did that, which made it special to be in each church." Abby

Fresh squeezed juice stop! A requirement!!

After our morning in Nazareth we drove to Haifa, and visited Stella Maris, the church built over the cave of Ellijah. We had time to pray and remember the passion of Ellijah's faith, when he battled the Prophets of Ba'al in the name of God.

Roman era tombs on the side of the road, with round tombstones. A great example of a stone that "rolled away".
